

## Greetings from Isabel

my time as your Governor has come to an end and Heike Schmidt is taking over as your new Governor of District 14 for 2022-2024.

I enjoyed working for you as your Governor although it was not what I expected it to be. Nobody could have foreseen that these two years would be dominated by a pandemic. Therefore the work of my District 14 board largely consisted of adapting and managing the problems that this pandemic brought up.

Unfortunately we could not travel and meet you, as we planned. We had to switch to online events. This brought a lot of challenges for all of us. But I am proud to say, that we as Zontians adapted fast and well. And now after two years we are still here. This is something we all can be very proud of!

I will carry many wonderful memories from my time as your Governor. Different memories from those of my predecessors, but certainly equally valuable.

I wish Heike all the best for her biennium as your Governor. We worked very close throughout the last two years. Today I can say that through this time we became very good friends. This is also what Zonta stands for: Strangers working together and becoming friends.

I also would like to thank my leadership team, the members of the board and the committee chairs and members. Thank you for your work for Zonta!

Finally I want to thank all of you for your commitment and your friendship. You are Zonta! Thank you for standing with Zonta!

Yours

Isabel Christin Rameil  
District 14 Governor 2020-2022
